BOOK SYNOPSIS

Presenting social science research methods within the context of human service practice, **APPLIED SOCIAL RESEARCH** is the ideal text for courses focused on applied research in human services, counseling, social work, sociology, criminal justice, and community planning. With in-depth coverage of all the topics taught in traditional social science research methods courses, **APPLIED SOCIAL RESEARCH** brings the subject to life by showing how research is increasingly used in practice today. In addition, this fully updated edition includes a thought-provoking Eye on Ethics feature and new and revised Research in Practice vignettes.
