BOOK SYNOPSIS

An excellent guide which allows the readers to brush up on their knowledge and prepare for the National Board or state licensing exams. Contains three comprehensive, function-oriented tests--one focusing on dental radiography, and the other two covering all other areas of professional competence. Readers who successfully complete these tests are ready, not only for the state and national exams, but also for all challenges they are likely to encounter in actual dental assisting practice. Correct answers are provided along with a rationale for why each answer is correct.
