BOOK SYNOPSIS

How It's Being Done offers much-needed help to educators, providing detailed accounts of the ways in which unexpected schools—those with high-poverty and high-minority student populations—have dramatically boosted student achievement and diminished (and often eliminated) achievement gaps. How It's Being Done builds on Karin Chenoweth's widely hailed earlier volume, *It's Being Done*, providing specific information about how such schools have exceeded expectations and met with unprecedented levels of success.

HOW ITS BEING DONE URGENT LESSONS FROM UNEXPECTED SCHOOLS -
