## BOOK SYNOPSIS

Kokology 2 offers all-new insights into the surprising real you. Kokology, the popular Japanese pop-psych quiz game, is now an American bestseller, and Kokology 2 offers more than 50 all-new quizzes, perfect for beginners and experienced kokologists alike. Kokology, the study of kokoro ("mind" or "spirit" in Japanese), asks you to answer questions about seemingly innocent topics -- such as which is the cleanest room in an imaginary house? -- and then reveals what your answers say about you. Play it alone as a quest of self-discovery, or play with friends, if you dare!
