BOOK SYNOPSIS

When Hetty McKinnon uprooted her beloved Arthur Street Kitchen from Sydneys Surry Hills and relocated to Brooklyn, NYC, she left behind legions of devoted fans. These fans found solace in Community, Hettys immensely popular cookbook showcasing the delicious, seasonal salads so adored by her customers. Now Hetty is back, with a second cookbook that is equally sure to delight and inspire. Neighbourhood takes its cues from Community and ventures a little bit further. These salad and sweets recipes are inspired by many different places, journeying from Brooklyn to the greater Americas, the Mediterranean, Asia, France, Australia and many other places around the world for inspiration. This is a specially formatted fixed layout ebook that retains the look and feel of the print book.
