BOOK SYNOPSIS

War consumes planet Earth, but this war is far different from any other in its extensive history of violence. Races from other planets have found their way to Earth and have begun to tear it apart. Sierra Vazie, leader of the feared Drone Legion, is determined to reach total dominance, but she has obstacles to overcome. One of these obstacles is Jason Lance. Jason is a teenage boy from New York City, who has no idea how important of a journey he is about to embark on. According to prophecy, Jason is destined to save the universe from an impending destruction. Follow Jason and his companions into a world of magic and adventure like never before.
