BOOK SYNOPSIS

Now in its 47th edition, Lowes Transport Managers and Operators Handbook is the most comprehensive guide available to the operational rules and guidelines governing the UKs road transport operators. This best-selling handbook provides an essential reference to factors that are of utmost importance in today's road transport industry. It includes details on professional competence, working times and driving hours rules, speed cameras and penalties, the international road haulage market and drugs testing for drivers. Lowes Transport Managers and Operators Handbook is the essential reference source for any transport manager, fleet operator, owner-driver haulier or student with an involvement in the industry. The 47th edition has been thoroughly updated and revised to reflect the latest developments in the industry.
