BOOK SYNOPSIS

An erotic paranormal romance... Charismatic and powerful Lyceum Wolves Alpha, Tristan Livingston, is out for revenge after a devastating attack on his pack. Not only did he survive a building collapse, he orchestrated the rebuild of his chic, state-of-the-art nightclub within a week. Determined to mete out justice, he rescues a beautiful witness who may be the key to helping him find the perpetrators. Dr. Kalli Williams, dedicated veterinarian, is hiding a secret that endangers not only her own life but the lives of wolves across the country. After being tortured by a savage vampire, she reluctantly agrees to help the sexy Alpha in his quest to identify suspects; ones who will kill her on the spot if they knew she existed. As Kalli places herself in the hands of the dominant wolf, she soon finds she wants nothing more than to submit. Tristan, committed to ruling his pack as a lone wolf, is inexplicably drawn to the mysterious and enticing woman, who seems more than human, but not quite supernatural. As he discovers her secret, he teaches her the meaning of trust, helping her learn how to be true to her nature. After living a lifetime alone, will he succumb to the visceral need to claim her, acknowledging the soul binding connection between an Alpha and his mate? And will he prevail against the menacing enemy who threatens to destroy Lyceum Wolves?
